

The Thomas Mills High School & Sixth Form GCSE Art curriculum aims to teach pupils the skills and understanding of art techniques and approaches to analysing artwork while covering the four Assessment areas below:

- AO1 - Develop ideas through investigations, demonstrating critical understanding of sources.
- AO2 - Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes.
- AO3 - Record ideas, observations and insight relevant to intentions as work progresses.
- AO4 - Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.
