Dear Student and Parent

16-19 Bursary

You may be aware of the Government Bursary Scheme aimed at providing some financial support for young people facing financial barriers, to enable participation in education.

The school has been allocated a fixed sum of money for disbursement to those students identified as being in need of financial support. As it is a fixed sum, it may not be possible to award a bursary to every student who applies for bursary support. Support for students will be prioritised on the following criteria:

Priority group 1:

Vulnerable student bursaries of up to £1,500 payable to those students who are:

1. in care (as defined by social services)
2. leaving or have recently left care
3. are in receipt of income support in their own right
4. disabled and in receipt of both employment support allowance and disability living allowance

Priority group 2:

A bursary of up to £999 will be awarded to young people in receipt of free school meals. The amount paid will be subject to the number of students in the category and the availability of funds.

Priority group 3:

In the event of funds remaining within the school's Bursary Fund allocation, once all priority 1 and 2 awards have been made, awards of up to £999 will be made to students of families with an annual household income of up to £26,500 and an award of up to £550 to students of families with an annual household income of £26,501-£33,000.

Eligible students in group 3 may apply to the bursary fund for a contribution towards items such as the cost of school transport, essential course equipment, trips and course materials. This may be a one-off payment for a specific item.

All payments will be made following the commencement of courses. Proof of entitlement will be required, and bursary payments will be dependent upon meeting attendance, punctuality, behaviour and academic attainment and application criteria outlined in the protocol for the authorisation of bursary payments.

All bursary applications are to be made online via our Bursary16+ platform (accessed via Admissions+, the platform they used to make their application). Please log in to the Admissions+ system using the same credentials you used to log in to your sixth form application form. A student guide to help with the form is attached to this email. Please contact the Sixth Form Office if you have any problems.

Yours sincerely
